Exploring Empathy

When It Rains on Your Parade

The Everybody Club is a happy book. No one seems to have any problems. But real life isn't often like that! Things don't always go according to plan. We might have arguments. We might feel disappointed or angry or sad. No matter what, we're STILL members of the Everybody Club, but we'll get a lot more done (and have more fun) if we can figure out good ways to deal with bad feelings.

Here are some things that DIDN'T happen in this book. For each one, describe how you would feel in that situation. Then think of what you might say or do to make it better.
